Professional Care for Injured and Orphaned Wildlife

Dear Friend of Centre Wildlife Care,

We would like to invite you to participate in the 18th annual

"Wild About Animals" Event

Centre Wildlife Care (CWC), in association with SEAC (Small and Exotic Animal Club), is hosting the "Wild About Animals" event on Saturday, April 15th, from 10-3 at the Snider Ag Arena (PSU). This event is an animal expo, attended by approximately **3000 people**, featuring a variety of animal-related organizations (veterinarians, rescue groups, petting zoo, environmental groups, etc.) with an emphasis on networking, education, outreach and pet adoption. Among the events scheduled are a silent auction, Easter games, children's section with activities and educational materials, pony rides and lots of interesting animals such as dogs, cats, birds, reptiles, hawks, chickens, horses and bunnies.

The "*Wild About Animals*" (WAA) event is an outreach and fundraising event provided by **Centre Wildlife Care**. CWC is a non-profit, 501c3 organization that provides licensed and professional care to orphaned and injured wild animals until they can be released back into the wild. Please go to www.wildaboutanimals.net and click on the Facebook link to see some of the animals that receive care at CWC. Proceeds from the WAA event will go directly toward the care of the animals at CWC (including housing, food & veterinary care). CWC is a volunteer-based organization that is funded solely by donations..... and your donation is tax deductible!

New this year...CWC is now an adoption partner with Petco! We will have animals up for adoption that are not regulated by state and federal wildlife laws which may include pigeons, domestic ducks and reptiles to name a few. We hope to have some of these animals at the event.

For additional information, including pictures from previous events go to: <http://www.wildaboutanimals.net> and click on the "Wild About Animals" link.

Ways you can participate would be to donate items for the silent auction, be a sponsor and/or an exhibitor or volunteer at the event. Please contact me with any questions.

We would be honored if you would join us for the 18th annual *Wild About Animals* Event! **If you want table space, sign up early...we have limited space.** We look forward to hearing from you!

Sincerely,

Robyn Graboski, Executive Director
